**The ICUF Preferred Vendor Program** is designed to be a link between the business sector and Florida's independent college constituents. Companies wishing to work with independent higher education institutions in Florida will find a warm welcome through the program. There are 30 very diverse colleges and universities that comprise the Independent Colleges & Universities of Florida, Inc. (ICUF).

**The Goal** of the Preferred Vendor Program is to develop mutually beneficial partnerships between private sector companies and private colleges and universities located throughout the State of Florida.

**Who can become an ICUF Preferred Vendor?** Preferred Vendor status is offered to qualifying companies who:

- ◆ provide goods or services to at least one higher education institution.
- ◆ have an unquestionable reputation for ethical business practices
- ◆ Complete the required vendor application process

**What are the benefits of becoming an ICUF Preferred Vendor?** Organizations with Preferred Vendor Status receive the following:

- ◆ visibility in the market of private higher education in Florida
- ◆ recognition as supporters of independent higher education in Florida
- ◆ listing on the ICUF web site as a preferred vendor
- ◆ materials placed in Presidents' meeting packets throughout the year
